Nevada State Journal IS ACTION TO BE TAKEN?

Retain the State Fair?

Despite the warning notes uttered by the Journal, the citizens of Reno are being saught napping by their Carson neighbors.

By the vote of 11 to 3 a bill passed the Senate yesterday directing the Fine in Orthor apples at Co-Op, store, sale of the S ate fair grounds, the sum Presh comes every day at Mannesm's received therefrom to be turned late

> If this bill passes the Assembly, which it probably will in a very few days. The State fair and its attendant advantages will pass from this city.

The people of Carson have carefully laid their plans. They have secured If you're in a hurry for your work the passage of a bill by which the State is authorized to accept grants of land and other gifts. Then they seeured the appointment of Mr. Brearley upon the State agricultural society.

> The meaning of all this is patent. A syndicate, which Mr. Bearley will probably head, will purobase the State fair grounds and hold annual racing seasons in which State exhibits will have no part, and for which no sppropriation will be made.

The next step will be the gift of the Ormsby county fair grounds to the State, and the charge of base is accomplished.
